**SECTION 3**  
**TECHNICAL SPECIFICATIONS**

**Mobile Materials Handling Equipment – Prequalification**

**3.1 SCOPE**

The purpose of this solicitation and resulting contract is to establish a pool of prequalified bidders for future pricing competition to provide various mobile materials handling equipment for County departments.

**3.2 TYPES OF EQUIPMENT**

- i. Bidders shall provide mobile materials handling equipment fully assembled and ready to use, and as specified in the spot market quotation specifications. The equipment must conform to all manufacturer standards and shall include all safety features recommended by the manufacturer, as standard equipment.
- ii. The County may purchase the following categories of equipment (this list is not exhaustive):
  - a. Forklifts
  - b. Articulating lifts
  - c. Power sweepers
  - d. All-terrain vehicles (ATVs) and utility vehicles
  - e. Skid steers
  - f. Commercial lawn mowers
  - g. Golf carts, trams, and trolleys
  - h. Light towers
  - i. Compressors
  - j. Water pumps
  - k. Other miscellaneous materials handling equipment

Additional categories may be added by the County at any time during the term of the contract. Additional information and requirements will be provided in the subsequent spot market quotation requests, issued by the County department(s). The County will prequalify vendors in the categories listed above.

**3.3 READY TO USE REQUIREMENT**

The equipment shall be delivered to the County properly serviced, fully-charged, with the necessary lubricants, full tank of engine fuel, set up and "ready to use" at locations as specified by the County department. The County will only furnish additional fuel and lubricants while in use by the County.
